The Record

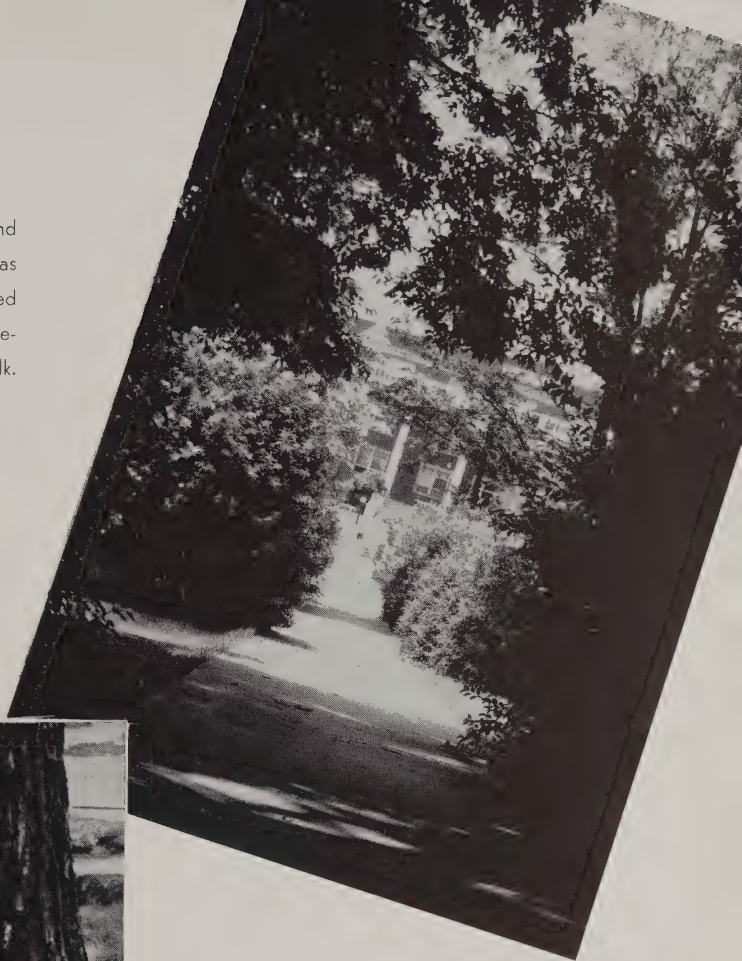

On

Thoughts of the higher ideals of life steal into the gaiety and laughter of a day and leave the world in silence, praise, and meditation.

A feeling of reverence and peace comes over the world as God's word is read and studied while soft shadows cast serious reflections on a shady campus walk.

Dedication

Eyes holding lights of tender understanding—
Smiles radiating thoughts of sincere friendship—
Words offering wisdom to the learner—
Actions inspiring devotion in all—

*I*n her there is strength and beauty of character. In her there is that truly beautiful ideal of Christian living. Her life of purity and virtue has woven itself into the hearts of every Lipscomb student, bringing with it an unselfish, untiring, and understanding love. To her who has planned for us, hoped for us, prayed for us, inspired us, and trusted us, we dedicate this, the 1946 BACKLOG.

OUR PRESIDENT—BATSELL BAXTER

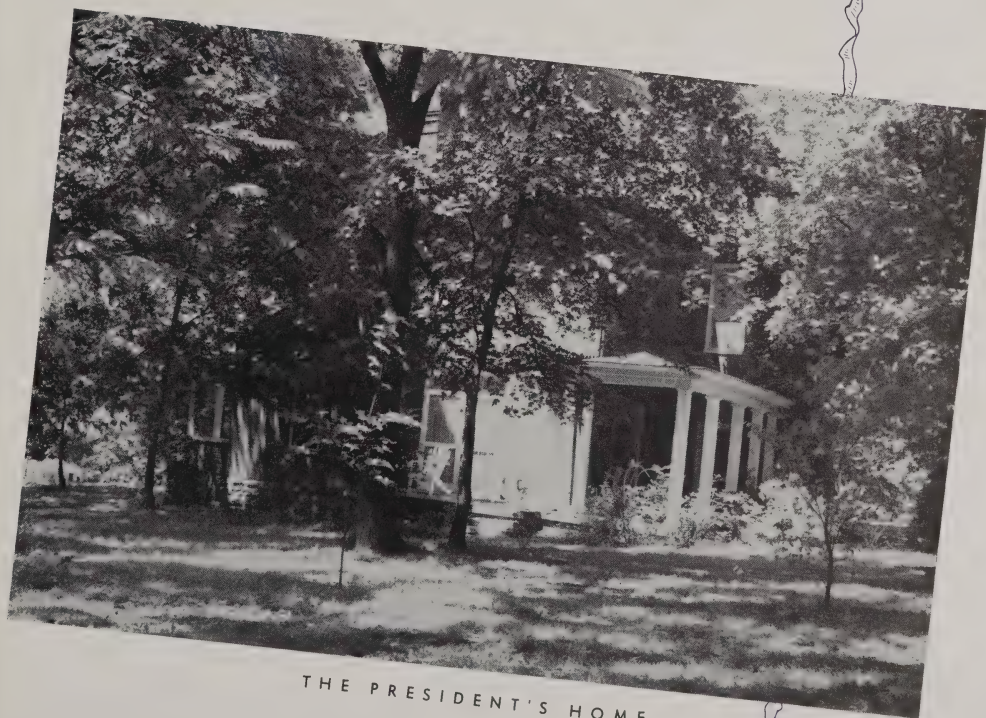

By reason of his unfailing courtesy, friendliness, and lasting patience, he has gained the love and respect of faculty and students alike. Because of his enriched Christian character, his loyalty to Christian education, his understanding of student problems and interests, and his unselfish and efficient service to Christian young people, we pay tribute to the President of David Lipscomb College, Batsell Baxter.

BATSELL BAXTER came to David Lipscomb College three years ago, elected for the second time to the presidency of this institution. In this capacity he has served with efficiency and dignity.

In the fall term of the 1945-46 school year, President Baxter gave to the Board of Trustees his resignation, stating that in his present position he was unable to follow his lifework—preaching. Recognizing the sincerity and prayerful thought behind such a resignation, the Board immediately released President Baxter, at the same time electing him President Emeritus and head of the Bible Department.

To succeed President Baxter, whose resignation becomes effective the first of June, the Board selected a man equally capable of guiding the destiny of David Lipscomb College. Vice-President A. C. Pullias will become president of the school in June of this year.

June, 1945 . . . A. M. Burton, vice-president of the Board of Trustees, digs the first spadeful of dirt for the new Lipscomb Administration Building.

Men at work on new administration building.

Lipscomb Expands

Recognizing the need of a four-year Christian college in this section of the country, in the spring of 1945, a group of Nashville's prominent business men agreed to match dollar for dollar all the money that Lipscomb could raise in a drive to make this school a standard four-year college. Vice-President A. C. Pullias was appointed director of this campaign with Willard Collins his associate director. The goal was set at \$600,000.

Recently this goal was changed from \$600,000 to \$1,000,000. With genuine interest in youth and Christian education, the leaders and friends of this campaign have worked under the slogan: "Remember, every dollar you give means two dollars invested in young people."

Lipscomb's present buildings and grounds include Harding Hall, Sewell Hall, Elam Hall, Burton Gymnasium, President's Home, and a campus of more than forty acres.

Since the campaign was announced, construction work has begun on four new buildings: administration building

and auditorium, Crisman Memorial Library, Johnson Hall, and a central heating plant. Besides the present buildings and those under construction, two more buildings are planned under the present expansion program: a new science building and physical education building. The money required for the erection of these buildings and for the additional expense in converting to a four-year college reaches a grand total of \$1,056,000.

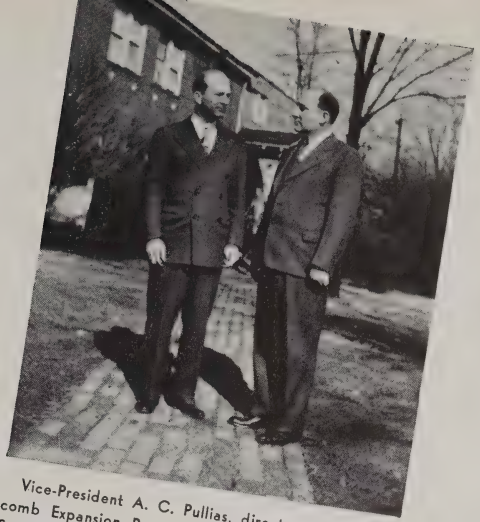

The realization of these high goals and the ultimate establishment of a full university at Lipscomb will require the faithful support and the zealous efforts of every person who loves boys and girls. Director A. C. Pullias says, "Whatever Christian young people need to learn—a Christian college needs to teach. We owe a debt to the youth of today and tomorrow which can be paid only when we provide for them an education that is genuinely Christian—education that develops the body, trains the mind, and cultivates the soul."

March, 1946 . . . Director A. C. Pullias and his associate director, Willard Collins, discuss the advantages of a new administration building as construction work nears completion.

Mrs. Helena Johnson, known as "Grandma" to the students, gives \$90,000 for the erection of Johnson Hall, new girls' dormitory.

Vice-President A. C. Pullias, director of the Lipscomb Expansion Program, confers with Dean J. P. Sanders on plans for a four-year college.

Oscar A. Crisman

Through the generosity of Mr. B. A. Crisman of Chattanooga and the estate of the late Mr. Oscar A. Crisman, Crisman Memorial Library is now under construction on the west side of the Lipscomb campus. This building will provide adequate space for reading rooms, training rooms, and offices.

MELVIN SIMS came to Lipscomb an ex-sailor from Detroit, Michigan. His fellow classmates immediately sensed a leader and elected Sims president of the freshman class. His abrupt speech and ready smile have combined in the making of a truly capable Lipscomb leader.

A true son of the South, **DAVID EAST** hails from Birmingham, Alabama. His blushing grin and friendly eyes, along with his real ability, gained for him the title of vice-president of the 1945-46 freshman class.

Laughing, vivacious, pretty, and intelligent is the secretary of this year's class, **JANE DUNCAN** was the only girl elected to serve on the Freshman Board in the fall quarter. When the election of class officers was held, Jane was again chosen to represent her class as a leader.

PAUL MILLS is noted for his dry humor in class and on the campus. This year the members of the freshman class decided to elect a humorist to serve as treasurer of their class. Paul has been an efficient manager for the class of 1946.

Bible Education

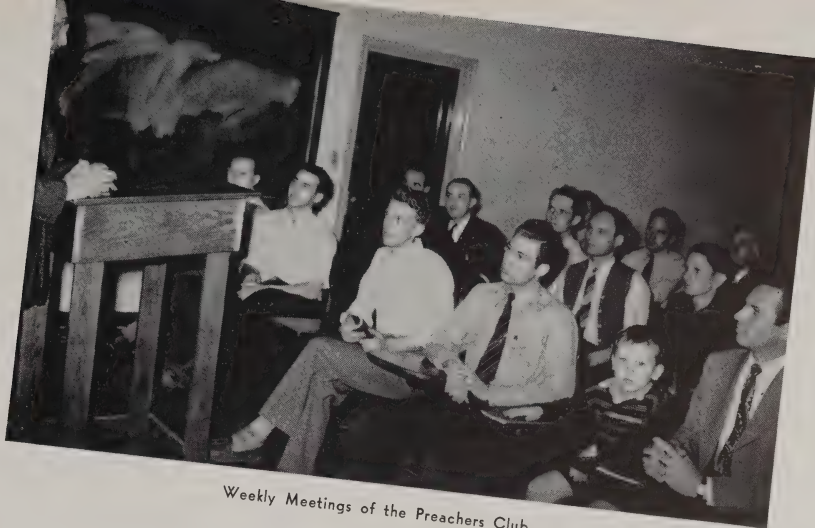

As head of the Bible Department at David Lipscomb College, A. C. Pullias in conjunction with his able staff of Christian Bible teachers strives to put into the hearts of every Christian young person a more perfect understanding of God's word, thus inspiring the learner to dedicate anew his life to the cause of better preparing men and women to live the Christian life.

Weekly Meetings of the Preachers Club

Ministerial Students

Adding much to classroom and campus life are the young preachers of David Lipscomb College. Regular classroom work interspersed with preaching appointments, prayer meeting, and preachers club is the weekly routine of the average young preacher on the Lipscomb campus. Their loyalty to the Bible, faith in its teaching, and influence on their fellow students make them a most valuable aid in promoting Christian Education.

Sermons practiced before mirrors . . . patiently waiting for buses . . . all part of the day of a typical ministerial student.

GIRLS' DEVOTIONAL

The ringing of a bell in the silence of a study hour brings a welcome pause to the girls of Sewell Hall. Soft slippers feet lead consecrated Christian girls to a few moments of devotion and meditation. Grouped at the feet of one who imparts to them words of gladness and offers to them her life as an example of true Christian service, Sewell Hall girls send silent petitions to the God who will care for them through the approaching night.

Devotional

The noisy chatter of a boy's dormitory suddenly becomes hushed as the strains of a sacred hymn ascend from the hearts of Christian young men. Beginning their study hour with a short period of devotion, the boys of Elam Hall can prepare their work with a more sincere effort and can end the cares of a day confident that in sleep God will watch over and protect them.

C. L. OVERTURF

A hushed silence falls over the campus as the time for worship approaches. Devoted Christians are preparing to enter the house of God. The elders of the church and the minister, C. L. Overturf, extend in behalf of the college church a welcome to Lipscomb students to attend all worship services of the church.

C. M. PULLIAS

The fall meeting was conducted by Brother C. M. Pullias of Murfreesboro, Tennessee. Straight gospel, sermons inspired by his Godly life—his love for and interest in young people—his challenge to all Christians to dare to do right—will always live in the hearts of those who heard him.

During the spring meeting, Lipscomb students were greatly inspired by Ira Douthitt of Dickson, Tennessee. His chapel talks—practical lessons for young people—wonderful gospel messages for all Christians—make the meeting stand out as one of great value.

Getting together over the dummy

With a mixture of happiness and regret we give you our finished book, the 1946 BACKLOG. Working from the introduction to the last page of this purple and gold bound volume, the editors have had but one purpose in mind—to give you a book which will in a small way help you in the coming years to relive a few of the happy hours spent on the campus of David Lipscomb College. To all who have in any way contributed to this book, we wish to extend our sincere appreciation.

Forming a new constitution for David Lipscomb College as a four-year school has been the major feat of this year's student board. A tremendous task, but led by Chairman Warren Jones, this group has successfully concluded their work. Their other activities include conducting school elections— anxiously counting ballots—discussing student problems and welfare—making plans for a bigger and better Lipscomb. These are the tasks performed by the 1945-1946 Student Board.

Quartet

"Sleep Kentucky Babe" echoed in the auditorium on Stunt Night as the quartet gave its first performance of the year. These "stouthearted men" sang informally throughout the year—on the steps of Elam—in the halls—around the campus—wherever an occasion called for song. Their major performance for the year was at the Junior-Senior Banquet.

Max Johnson was a member of this group until his graduation in March, when his place was taken by Second Tenor Stanley Blackman.

Miss Irma Lee Batey is director of the group.

THE MALE QUARTET: First Tenor George Yates, Second Tenor Stanley Blackman, Baritone Jay Church, and Bass Warren Jones.

GIRLS' ENSEMBLE: Seated—Mary Camp, Donna Baltuff, Veda Swisher, Edna Batey. Standing—Peggy Watts, Barbara McClellan, Joan Twyford, Joanne Hardeman, Bernie Wyckoff.

Girls' Ensemble

These g'rls, especially chosen from the Glee Club, sang their way into the Girls' Ensemble. Directed by Miss Jean Deal, their major performance of the year was a series of special numbers in the annual spring concert.

The Band

After a year's absence, the Band was re-organized under the direction of Miss Irma Lee Batey. Although it was late in being organized, the band has furnished a fitting background for Pep Squad drills, basketball games, and the May Day program.

Other high lights of the year were campus concerts given at dusk and interesting chapel performances.

I. R. C.

The International Relations Club was organized in 1935 for the purpose of discussing current events and international relations.

Under the leadership of Exum Watts, president, and Willard Collins, sponsor, the club has met twice a month this year. At these meetings members of the club reported on current books of international interest. A. R. Holton, Henry C. Ehl, and A. C. Pullias appeared before the club as guest speakers during the year.

One of the main events of the year was the annual banquet at the Andrew Jackson Hotel, where twenty new members were initiated into the I. R. C., an educational and progressive organization.

Austin, Bradley, Bynum, Camp, Cutts, Dunn, Floyd, Gregory, President Sam Hall, Veranne Hall, Hill, Treasurer McClure, Vice-President Miller, Lea Mitchell, Muriel Mitchell, Nunley, Parker, Ramey, Segrest, Shacklett, Margaret Smith, Mary Smith, Rebecca Smith, Secretary Tenpenny, Terry, Nancy Thompson, Ruth Thompson, Valdes, Watts, White.

Los Hidalgos

President and Secretary Greet a Guest Speaker.

"Buenas tardes, senores" or "Good afternoon, ladies and gentlemen," says Sam Hall, president of Los Hidalgos as he calls to order a regular Wednesday afternoon meeting of the Spanish Club.

This club, organized last year for the purpose of promoting a better understanding among all Spanish-speaking peoples, has been one of the most active groups on the campus this year. Their activities include meetings with guest speakers from Mexico and other places . . . a gala Spanish banquet at the Hermitage . . . attending Spanish meetings in the city . . . helping to purchase a typewriter for church work in Mexico . . . and finally, a surprise birthday party for Senor Miller, beloved instigator and sponsor of Los Hidalgos.

Scholarship Club

The Scholarship Club has been organized for the purpose of promoting higher scholastic standards on the campus. These students, who were granted honor scholarships for their excellent high school records, are examples for other students. With Exum Watts as president, this group has participated in numerous activities and provided a source of Christian influence on the Lipscomb campus.

Preachers Club

The Preachers Club has been of great value to the ministerial students at Lipscomb. One of the main purposes of this club is to foster a feeling of unity among the young preachers on the campus.

Led by Sam Binkley, this group meets each Friday afternoon to sing songs and hear lectures presented by visiting ministers. Among the guest speakers for this year was Brother C. M. Pullias, who spoke to the club once each month.

Through the activities of this club, young preachers are trained for a life's work of service.

Home Economics Club

A knock on the door at nine o'clock means that the Home Economics Club has delicious hamburgers and cokes for sale tonight. The activities of this group range from house cleaning, cooking, and serving meals to operating a nine o'clock canteen.

Headed by Faye Brown, this group has bought several pieces of new equipment and china for the home economics laboratory this year.

At the regular monthly meetings, many practical talks were given by various guest speakers. The major function of this club, so effectively carried on by the sponsor, Miss Leah Barr, is that of training these home economics majors to be efficient housekeepers, teachers, and professional women.

Dramatic Club

Sponsored by Miss Ora Crabtree and with Exum Watts as head, the Dramatic Club had a most eventful year in 1945-46. The major production of the year was "The Triumphant Bachelor," a three-act comedy, starring Max Johnson, Rachel Hyde, John Sewell, and Bernie Wyckoff.

The Dramatic Club has so many pleasant memories for this year . . . weekly meetings . . . planning programs . . . selling tickets . . . Muriel Mitchell's learning to faint . . . Ruth as secretary . . . John Sewell's suit that was too little . . . Holloway's witticisms . . . Max's lovable Valentine . . . the patient and competent guidance of the sponsor, Miss Crabtree.

Debate Club

The debaters this year have enjoyed a varied program of intercollegiate debating. This group, sponsored by Dr. Battell Barrett Baxter, represented the school at the Smoky Mountain Forensic Tournament, which was held at Carson-Newman College. At this meet, the team composed of Bob Crawley and Warren Jones, won second place in debate.

In the tournament at Atlanta, Bob Crawley was awarded first place as an after-dinner speaker.

This group, humorously known as "Eight Hits and a Miss," has a splendid record of debating for this year. They also have initiated plans for the future of debating at Lipscomb.

Crawley, Fanning, Holloway, Jones, Mitchell, Mosley, Murphy, D. Perry, Edgar.

Creative Writers' Club

Blevins, Hendrix, Hardeman, President Cox, Sewell, Lewis, Loftin, Barrow, Kirby,
Sponsor Mrs. Mabel-Dean Ehl, Shacklett.

Writing poetry — love poems, philosophical poems, ramblings, and nonsense verse—is the interest of the Creative Writers' Club. At their meetings the members of the club, led by the poet scorer, Mary Frances Cox, read and criticize their poems. This year the major feat of this group has been the publishing of a book of their poems, Verse and Worse.

Veterans Club

Returning servicemen have organized on the Lipscomb campus a group known as the Veterans Club. Under the leadership of Glenn Monroe, this group meets to discuss problems of former servicemen and to help each other become readjusted to civilian life.

Feeling the need of strong bodies as well as strong minds, the Veterans Club this year participated in the campaign of raising money for the erection of the new physical education building.

Jack Bradshaw

MOST VALUABLE PLAYER—"Buckshot" was voted this honor by his teammates for his ability as a leader, fine demonstration of court skill, and his consistent display of sportsmanship.

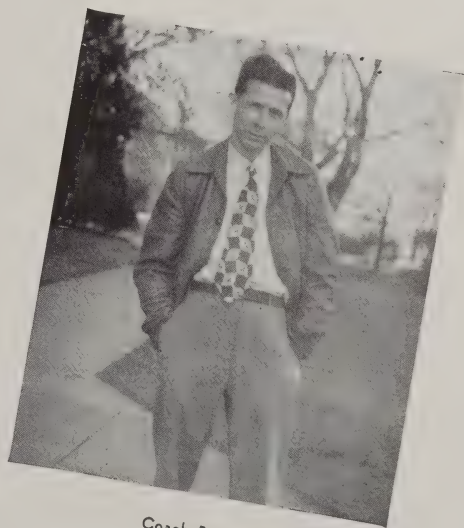

Front row, left to right: Cameron McKay, Jack Bradshaw, Berry Shirley, Russell Hatcher, Bill Young. Back row, left to right: Bill Hosse, Roger Church, Jay Church, Alan Willis, David East, Iro Douthitt, Jr.

The '46 Bisons

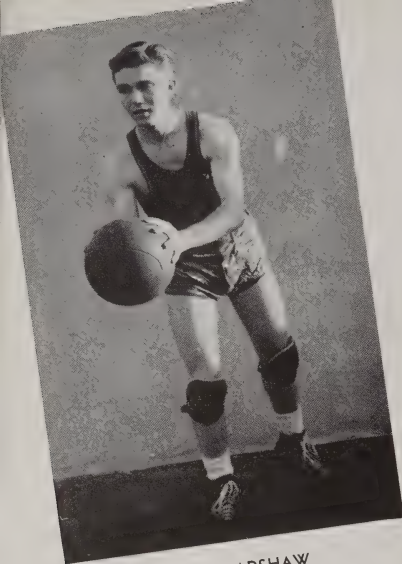

For the 1945-46 season, Coach Gene Boyce had the job of organizing a team from almost entirely new material. With returning veterans being added to the club, Coach was able to form a scrappy quintet.

With the school spirit of the student body boosted by the lively pepettes, the Bisons ended the season with a feeling of having done their best.

Because of lack of reserves, the boys were not able to cope with some of the larger teams they met, but after defeating the Bisons, the winners could go away assured that they had earned their score and had not merely been given a victory.

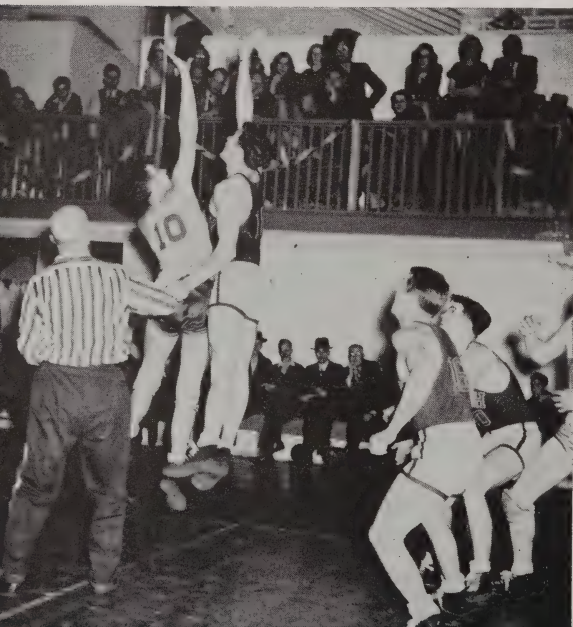

Coach Boyce

JACK BRADSHAW

"Buckshot" was always a favorite with the crowd wherever the team went. Though the smallest player on the team, he made up for it by being one of the fastest men on the floor. The way he worked around an unsuspecting team to make a crisp shot surprised the team as well as the spectators. He was always able to keep his head and think clearly when the going was tough. "Buckshot" is truly a prize to any coach and "his five."

LIPSCOMB 41

FLORENCE, ALABAMA,
STATE COLLEGE 39

This game, played in Florence, Alabama, was the most thrilling of the season. The Alabamans led most of the game, but in the fading minutes of the tilt the Bisons put on a spirited rally that tied the score as the game ended. The Bisons then went on to win the game in the play-off.

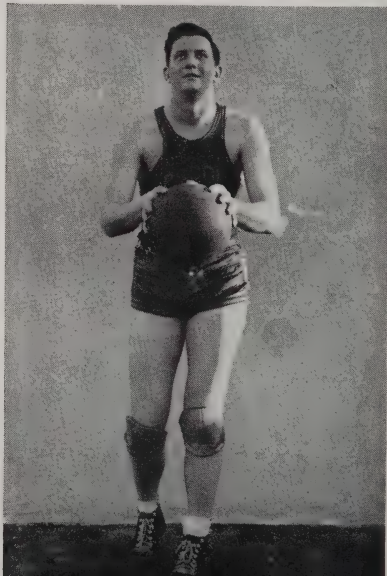

JAY CHURCH

Jay, the older of the "Church boys" as they are known to their opponents, was always one of the men carefully covered by rival guards. Jay asked for only half a chance and with his ability to be calm under fire he usually added zest to a fighting team.

RUSSELL HATCHER

One of the veterans returning from the Navy, Russell proved to be a decided asset to the Bison team. His dependable set shot from the middle of the court helped to pull the team out of many tight spots. His high school experience on the Lipscomb hardwood, coupled with his natural ability, made him stand out in a game as one of the spectacular players.

LIPSCOMB	35
AUSTIN PEAY	26

The Bisons opened the season against the Governors with a thrilling 35-26 victory. Lipscomb piled up an early lead that the Austin Peay lads were never able to overcome. In this opening game, although the Lipscomb lads were handicapped by inexperience and size, they demonstrated to the visitors that they would make up their handicaps by spirit and fight.

FLORENCE, ALABAMA, STATE COLLEGE	26
LIPSCOMB	19

The Teachers brought a large and rangy team to the Lipscomb gym and conquered the Bisons in a hard-fought contest. Lipscomb players made numerous long shots, but were unable to cash in on them. Both teams used a zone defense which could not be solved by either outfit.

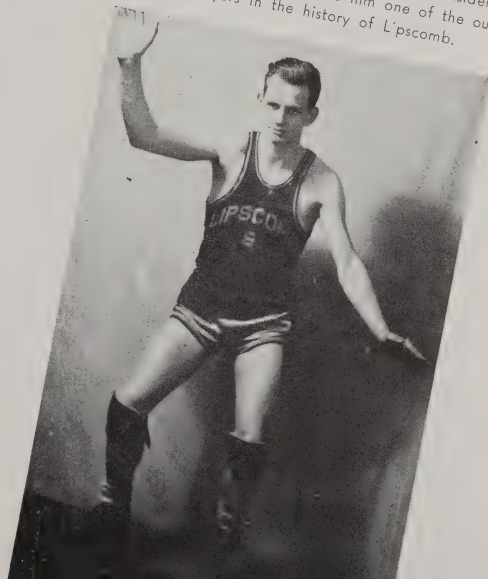

ROGER CHURCH

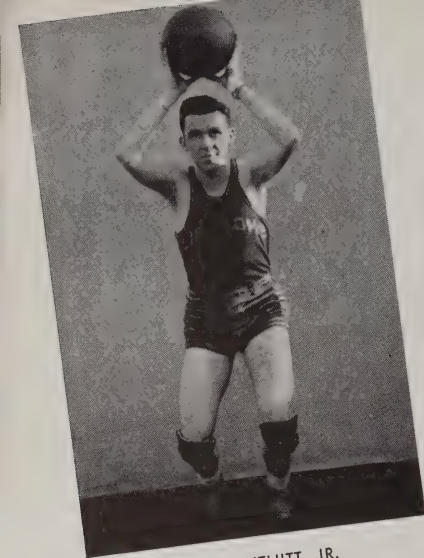

Another ex-Mustang, Roger could always be depended upon to receive the rebounds under the goal. Always wide awake, he was ready to break up the opponents' offense in the most vital play.

BERRY SHIRLEY

Nicknamed "Crazy-legs" last year while playing for the Mustangs, Shirley proved that this was an appropriate name. He was one of the fastest dribblers in the city as well as a skilled ball handler. Berry's even temper and his consideration for his teammates made him one of the outstanding players in the history of Lipscomb.

IRA DOUTHITT, JR.

Ira was discharged from the Army in time to see quite a bit of action this year. Having a natural eye for the basket, he was always able to contribute his share of the points as well as play a good defensive game. His eagle eye for foul shots helped the team out of many tight scrapes during the season.

LIPSCOMB	36
TENNESSEE TECH	43

Before another packed Lipscomb gym, the Bisons played their best game of the season against Tech's Golden Eagles. The Bisons led the Techsters for three quarters, but the tired Lipscomb lads went down in the final quarter.

The Bisons traveled to Clarksville for a return tussle with the Governors. Again the Bisons piled up an early lead only to see it dwindle in the fading moments of the game. The hosts tied the score with two minutes remaining to play in the game, but two quick field goals and a foul toss clinched the game for the Bisons in the final minutes.

In a thrilling contest, the tall veteran team from State was completely surprised by a small, fighting Lipscomb outfit. After a seesaw battle during most of the game, the Bisons exhibited a last-minute spurt that ended in victory for the home team.

With no previous experience, Cameron played good ball and was always on hand to cheer his teammates on.

The Bisons traveled to Murfreesboro the following week, but this time it was a different story. The Bisons could never get started on the strange floor and received one of the worst defeats of the season.

LIPSCOMB	25
TENNESSEE TECH	53

The Bisons traveled to Cookeville for their final contest of the season. Before an estimated crowd of three thousand, the Bisons were completely overwhelmed by the strong Tech team for their most one-sided defeat of the season. The large floor and team injuries possibly had much to do with the one-sided score.

BISONS' WAR VETERANS

Came Christmas and Uncle Sam Santa deposited four battle weary specimens in Coach Gene Boyce's newly trimmed gym. Reading from left to right: Ira Douthitt, a paratrooper; Alan Willis, just out of the Air Corps; Russell Hatcher from the Navy, and Bill Young, also an ex-Air Corpsman. These boys proved to be a valuable asset to the Bison team. Their hard work to get in shape and the deep interest they showed in the team is to be commended.

Jane Buschmann's Champ'onship Basketball Team

GIRLS' BASKETBALL CHAMPIONS

Jane Buschmann's team met Mary Lou Mason's team in the finals of the third tournament for the girls. With Blondell Townsend, Jane Buschmann, Juanita Mills, Gerry Rader, and Tish Ann Eskew performing in their usual style of excellent guarding and accurate shooting, this game proved to be the thriller of the season. Buschmann won in a three minute overtime play-off by one point, making the final score 16-15.

Intramurals

The intramural program is the most popular extra-curricular activity on the campus. Since this program includes almost every game, everyone has a chance to show his ability in some sport.

Tournaments are being played continually and the champions rewarded with beautiful medals. All-star teams are chosen by "Fessor" and the captains of each of the teams. Certificates of award are given to those who are chosen for this team.

Intramural points are given for the number of games that are participated in, and the number of games won. At the end of the year intramural points for each participant are added up and the boy and girl having the highest number of points receive a beautiful trophy.

Captains are appointed by "Fessor" Boyce and they choose their own teams. Games are played each afternoon between 4:15 and 6:00.

Intramurals begin about three weeks after the fall quarter starts. The first tournament to be held is softball for both boys and girls. After softball, there is touch football for the boys while the girls concentrate on the indoor sports such as basketball and volleyball.

In the spring, interest is turned towards the tennis courts, horseshoe diamonds, croquet and badminton courts, as well as archery and shuffleboard. With tournaments being played in all these sports, the students find plenty of recreation to occupy their spare time.

Boys' Basketball

Girls' Basketball

BOYS' SOFTBALL

Despite the bad weather, this proved to be the high light of the fall sports program. Each team played the other once and the two teams winning the most games were placed in the finals. In this final round the two teams met three times to decide the championship. Kitty Conwell's crack high schoolers won two out of the three games, thus receiving the title of Softball Champs.

TOUCH FOOTBALL

This tournament created much interest among the boys, but due to bad weather they were unable to play all the games scheduled. Possibly the outstanding feature of the entire tournament was when Bobby Mason won the game 6-0 for the opposing team by making a touchdown for his opponents.

*Max
Hamrick*

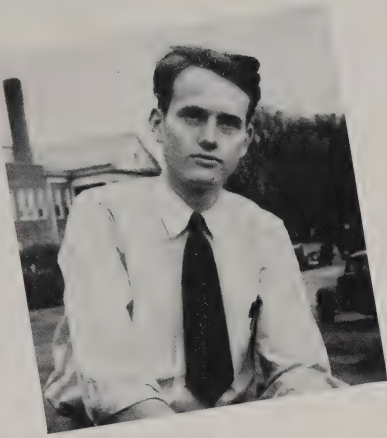

Walking unsuspectingly into the living room of Sewell Hall on the afternoon of March 24, Brother Hamrick was greeted with "Happy Birthday," sung by 300 young voices.

In appreciation of Christian leadership and his devoted service to their needs, the high school students had planned a surprise birthday

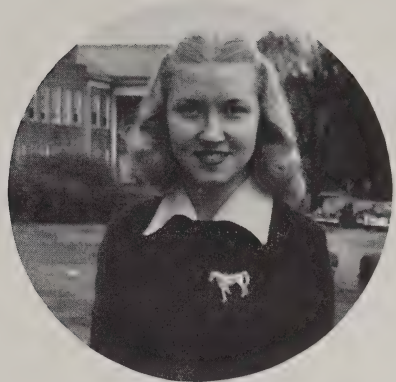

party celebrating the sixtieth birthday of their principal, Max Hamrick.

On behalf of the high school student body, Clifton Trimble presented a Bible to Brother Hamrick, extending with it a wish for continued health and happiness during the remainder of his life.

BOBBY MASON
High School Editor

High school **BACKLOG** Editor **Bobby Mason** and his staff, composed of **Ann Hale** and **Marcia Crothers**, have successfully completed their section of the 1946 yearbook. In spite of their classwork and other extracurricular activities they have put hours of work into the making of their part of the **BACKLOG**. If in a small measure, they have helped you to recall happy hours spent in Harding Hall and David Lipscomb High School, they will feel that their work has not been in vain.

Captain Bobby Mason

In there fighting hard . . . a quick dribble down the floor . . . again Captain Mason scores two points for the Mustangs . . . confidence in his team . . . cooperation from his boys . . . leading a defeated but hard fighting quintet home from the city tournament, the smiling captain presented the 1946 sportsmanship trophy to the high school principal.

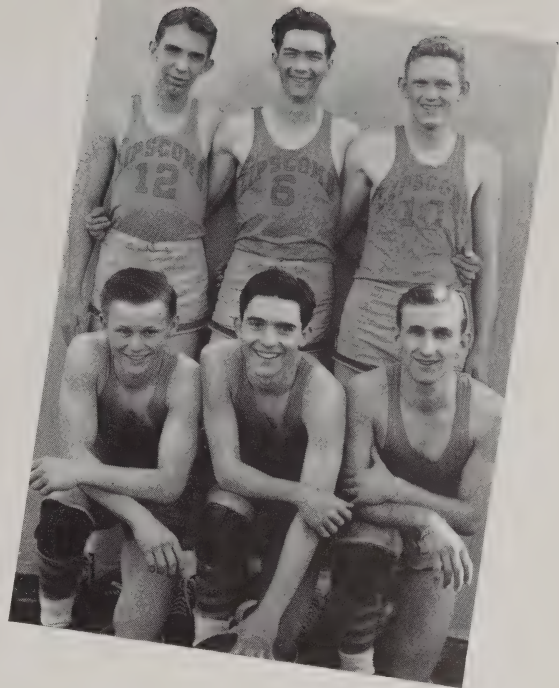

Coach and Bobby . . .

Captain Mason confers with Coach Alsup . . . strength and confidence exchanged in a friendly smile and a hand placed firmly on a captain's shoulder . . . sportsmanship displayed in success or defeat . . .

The high school boys this year could easily have been named the "hard luck" boys. On several occasions the Mustangs played first class basketball through the game, only to fade out in the last few seconds and see their opponents move on to a victory.

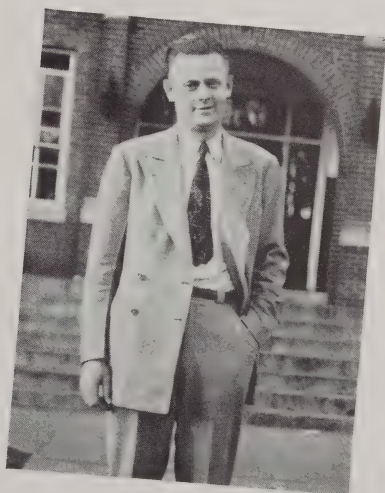

The boys were small but scrappy and had plenty of fight. They'll be returning all their players except two and "Coach" predicts that next year's team will prove trouble to any Nashville team.

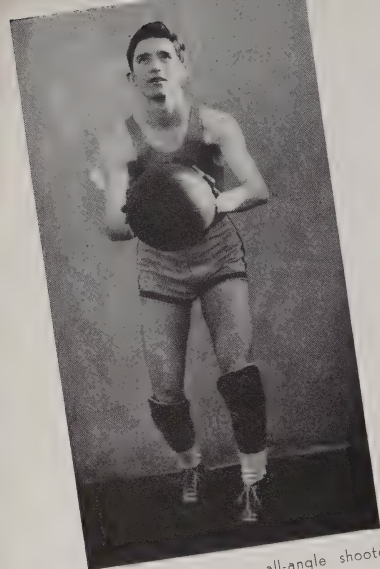

The 1946 Mustangs

The Lipscomb Mustangs deserve a word of commendation for their perennial fine display of sportsmanship. The high school team has the unusual distinction of winning the sportsmanship trophy three out of the past four years. This trophy is one of the most coveted awards in the annual Eighth District Tournaments.

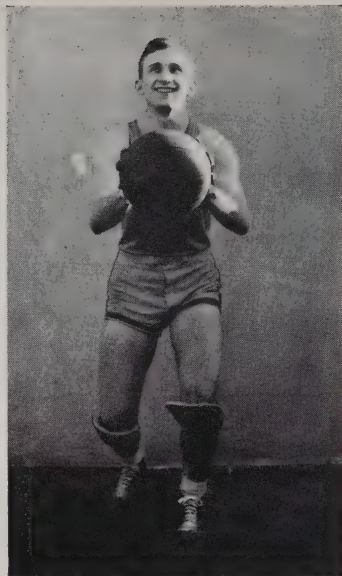

COACH ALSUP has done a commendable job with the high school Mustangs. His coaching produced one of the best passing and scrapping outfits in the city. When his Mustangs took the floor against their opponents you could always expect a clean and hard-fought game from his boys.

Always smiling . . . all-angle shooter in perilous seconds . . . dependable two-pointer . . . fair ball always . . . Mustang Captain **BOBBY MASON.**

ANTIOCH-LIPSCOMB

The Mustangs opened the season against the strong Antioch Bears in a thrilling seesaw struggle. With Bobby Mason hitting the nets from all angles the smaller Mustang team outclassed the favored Bears through most of the game, but lost out by a narrow margin in the fading moments of the game.

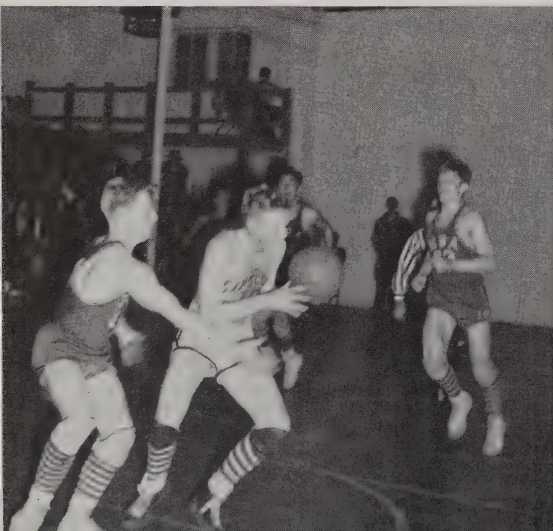

SAM . . . one of the scrappiest boys on the team . . . getting loose balls . . . our alternate captain . . .

HILLSBORO-LIPSCOMB

Our boys galloped off for a fast start against the Burros and led by a sizable margin for the first three quarters of the game, but the Hillsboro lads began to find the bottom of the net during the final period and managed to knot the score as the whistle blew. During the play-off period the Mustangs broke away on a scoring barrage for eight points, thus conquering their perennial rival neighbors.

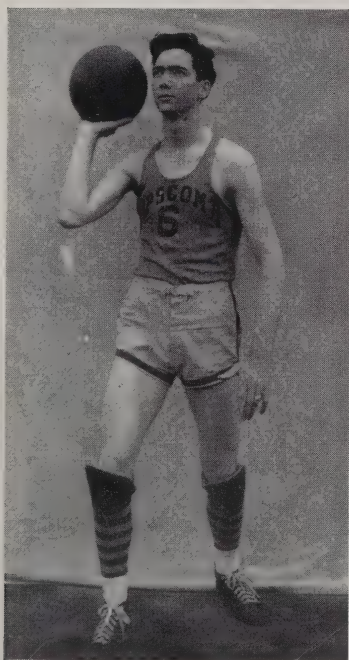

HOWARD-LIPSCOMB

The Mustangs traveled to the Rebels' gym in South Nashville and displayed one of the greatest passing and shooting exhibitions ever given by a Nashville team. In the first half the Mustangs got off to a commanding lead which they never relinquished and coasted on to victory over the favored Rebels.

First row: Temple, Jones, Mason, Foster, Conwell. Second row: Muller, Bartlett, Browning, Griffin, Briley, Coach Alsop.

JOHNNY . . . marks of improvement as the season progressed . . . developed into a high scorer . . . "crazy shots" . . . his "fight till the whistle blows" attitude kept the Mustangs going on several occasions . . .

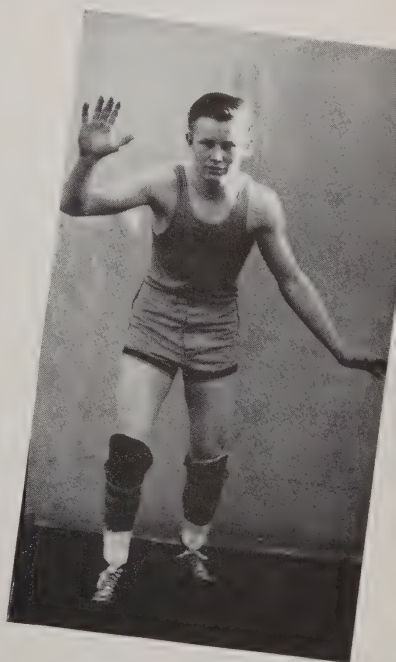

M. B. A.-LIPSCOMB

This was one of the most exciting games of the year. After leading the Big Reds most of the game, the Mustangs lost a heartbreaking decision in the final seconds of the game. The Lipscomb lads played one of their best games of the season against the highly touted Ma-rooms.

RYAN-LIPSCOMB

The Ryan Panthers, always regarded as one of the leading quintets in Nashville high school circles, came to the Lipscomb gym and before one of the largest crowds of the season took the measure of the scrappy Mustangs. Superior size and experience of the invaders proved too much for our boys, but the Mustangs kept on the heels of the Panthers throughout the game.

MOE . . . smallest boy on the team . . . took as many rebounds as the big ones . . . always driving . . . speedy . . . on the ball . . .

KITTY . . . senior . . . played two years in high school . . . prospective college material . . . Howard game performance . . . rebounds . . . always in a good mood . . .

TOMPKINSVILLE-LIPSCOMB

The Tompkinsville Bears came to Lipscomb gym hailed as one of Kentucky's best high school quintets. In one of the most thrilling games of the season, the Mustangs lost out 42-40 in the play-off period after Captain Bobby Mason had fouled out in the early minutes of the fourth quarter.

Nervous, Coach?

Cheerleaders—Webster, Lynch, Scudder, Thompson, Bradshaw.

COHN-LIPSCOMB

The Cohn Tigers, with their best team in history, came to the Lipscomb gym and were completely taken by surprise in the first half. The point-hungry Mustangs built up a tremendous first half lead, but the Tigers, led by J. B. Procter and Maxie Runion, began to hit from all angles in the last half to eventually win out. This was one of the highest scoring games of the season.

Johnny's Crazy Shot.

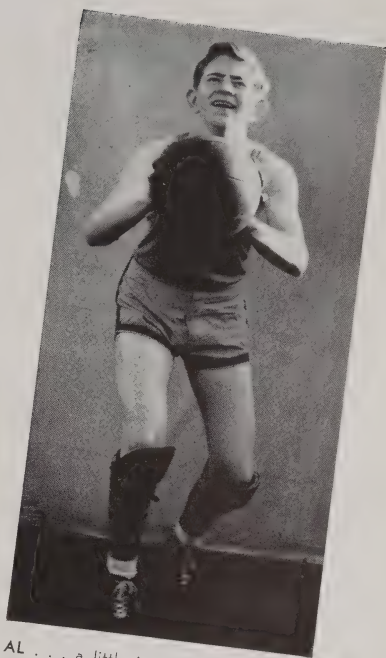

Team with Trophy.

WEST-LIPSCOMB

The Mustangs unfortunately drew the mighty West Blues in the first round of the district tournament. Although the Mustangs were conquered by several points, they gave the state champs one of their closest games in their march to the state crown.

GRIFFIN . . . senior . . . good reserve . . . lanky . . . followed up well . . . "dead eye" on set shots . . .

BEN . . . one of the best guards on the team . . . strictly a defensive man . . . good passer . . . always willing . . .

AL . . . a little inexperienced . . . improved with time . . . sophomore . . . good athletic future ahead . . .

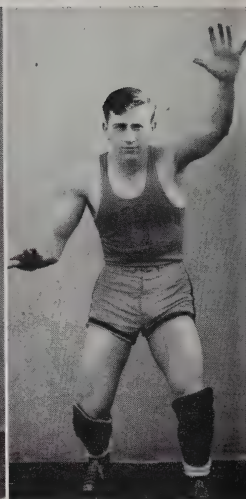

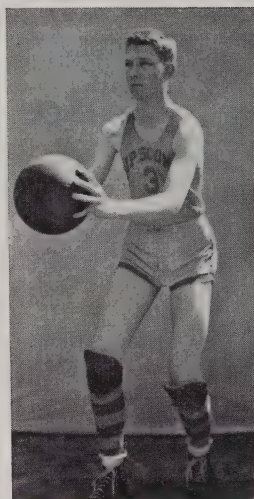

Another Two-Pointer.

Managers Briley and Muller.

Enthusiastic Supporters.

BOBBY . . . took over after Stroop's injury . . . saw little service . . . good natured . . .

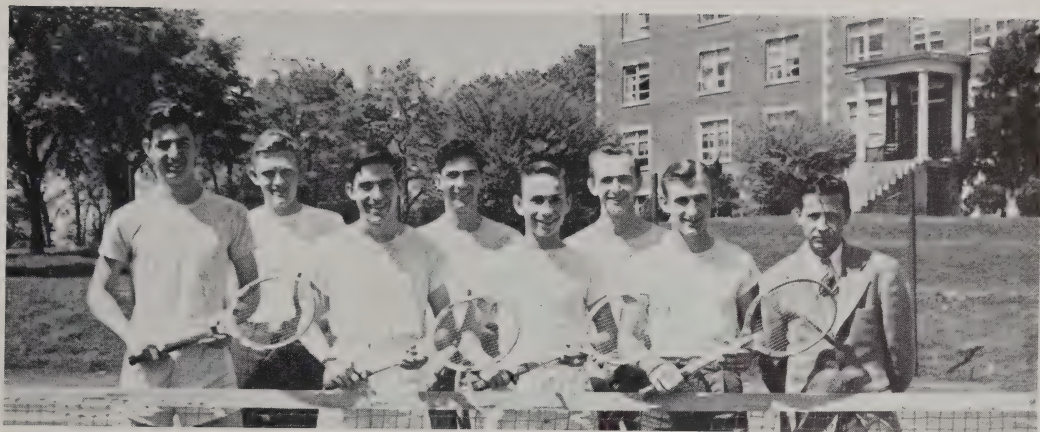

JAMES . . . saw little play . . . never complained . . . cheered on his teammates . . .

Up for the Toss.

Scrapping in the Cohn Game.

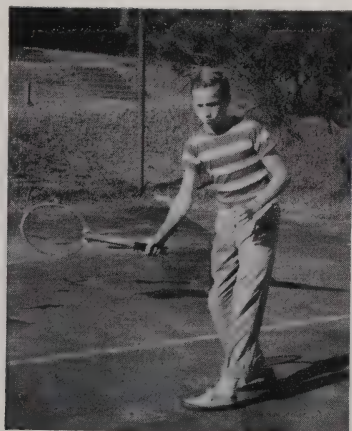

Fred Stroop, Wayne Conwell, Bobby Mason, Johnny Temple, John Netterville, Clifton Trimble, Sam Jones, Coach Boyce.

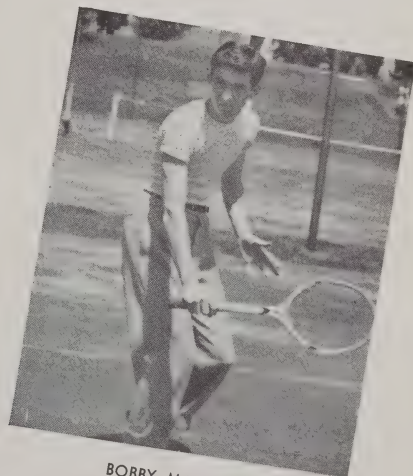

The Tennis Team

The Mustang racquet wielders were unable to play dual matches this season, but competed in the annual Nashville Interscholastic Tennis Tournament. As the annual goes to press the Mustangs are in the thick of the race for second place honors and a beautiful trophy. The doubles combine of Mason and Netterville have an excellent chance to cop the doubles crown.

The Mustangs will have Mason, Netterville, Jones, and Temple returning next year. With these experienced players returning and the addition of new players, the Mustangs should have one of their best teams in history.

Training

In Miss Lucy Glass' first grade room, tiny boys and girls learn their first big lessons in the realm of education. It is here that they learn to play, to sing, to study—in short, to better live together.

First grade play group enjoys a game of "drop the handkerchief" under the direction of Miss Lucy Glass.

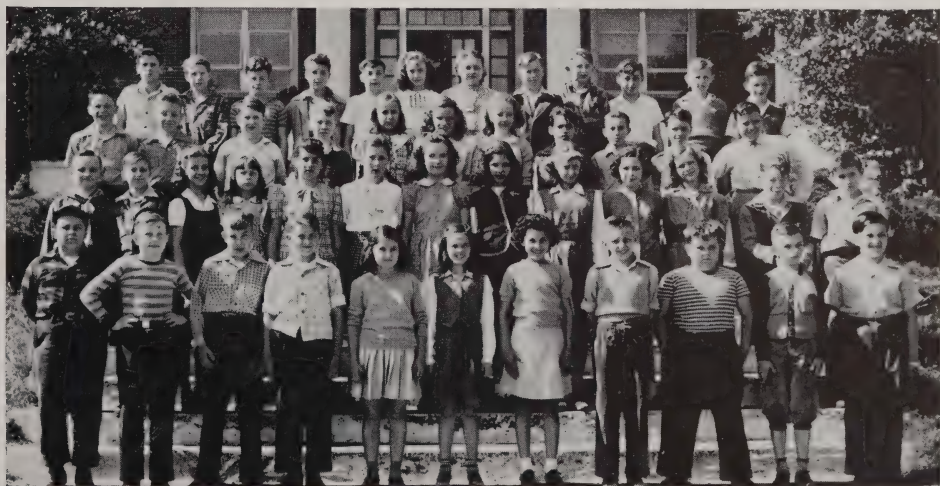

Realizing strongly their advancement, second and third graders feel that they are old enough to be protectors of the tiny first grade tots. Under the guidance of Miss Margaret Leonard they take these further steps in learning.

School

Age of imagination—jokes—mischief . . . problems, yet joys, to understanding teachers . . . play groups on the old college campus . . . Mrs. Leathers and Miss Thompson guide these eager young lives . . .
